Set out

Add top soil

Fit deck and place gravel

Nurture, learn and eat

Head Teacher Linda Talbot said “We love our new school garden, which has given us a safe, practical working space which is easily accessible. It has really stimulated the children’s enthusiasm for gardening.”

GCG become members of British Safety Council  as part of its continuing commitment to Health and Safety. “Being members of the council will help to keep GCG staff updated in current and new legislation “ said Darren Chadwick Director of GCG.

PHASE ONE HANDED OVER

Thanks to the help of Stockton Primary School Council the coloured bricks in the new curved feature wall in phase one of the remodelling of the school has been a hit with all pupils! Pupils commented on how “funky, cool and amazing!” the new look is.

LANGFORD VILLAGE SCHOOL, OXFORDSHIRE We are pleased to announce that GCG have been awarded a £250,000 project to develop, extend and refurbish a variety of different areas around the school including two large resource rooms, a new staff room, reception area and associated works.

EASTER HOLIDAY MAKE-OVER

BEFORE

AFTER

“Wow, wow and more wow. It’s a brilliant, great job—looks so fab!” Marion Stringer, Caretaker

FREE OFFERS

From time to time we offer free items on our website. The previous offer was for water butts supplied and install at no cost to the first 4 schools that called in. Please keep an eye out for the latest offer to appear during May.
